Continuing Education Courses pg. 34–46

# Academic Calendar

Spring Quarter • April 2 – June 20

## February 2012

- 7 • Advising Day for Spring Qtr.\*
- Registration begins for continuing and non-credit students for Spring Qtr.
- 9 • New student orientation begins—Spring Qtr.
- New student registration begins—Spring Qtr.
- 10 • Open registration begins—Spring Qtr.
- 20 • Holiday—President’s Day (buildings closed)

## March 2012

- 1 • Last day to withdraw—Winter Qtr.
- 14 • WAOL instruction ends—Winter Qtr.
- 22 • **Winter Quarter ends**
- Students with unpaid Winter Qtr. tuition / fees dropped from Spring Qtr.
- WAOL classrooms open—Spring Qtr.
- 27 • Winter Qtr. grades available online ♦
- 29 • Last day to enroll in WAOL courses—Spring Qtr.
- WAOL instruction begins—Spring Qtr.

## April 2012

- 2 • **Spring Quarter begins**
- Spring Qtr. tuition or first payment of Payment Plan due
- 4 • Last day to add without instructor signature
- 6 • Last day for 100% refund (most courses) ●
- 9 • Students with unpaid tuition/fees who haven’t made payment arrangements dropped from classes
- 23 • Last day for 50% refund (most classes)

## May 2012

- 8 • Advising Day for Summer/Fall Qtr. \*
- Registration begins for continuing and non-credit students for Summer/Fall Qtr.
- 9 • Students completing a degree/certificate Summer Qtr. need to apply for graduation to ensure timely processing
- 10 • New student orientation—Summer/Fall Qtr.
- New student registration—Summer/Fall Qtr.
- 11 • Open registration begins—Summer/Fall Qtr.
- 28 • Holiday—Memorial Day (buildings closed)
- 29 • Last day to withdraw—Spring Qtr.

## June 2012

- 6 • WAOL instruction ends—Spring Qtr.
- 15 • Commencement Ceremony—Lynnwood Convention Center
- 20 • **Spring Quarter Ends**
- Students with unpaid Spring Qtr. tuition/fees dropped from Summer Qtr.
- 26 • Spring Qtr. grades available online ♦
- 28 • Last day to enroll in WAOL courses—Summer Qtr.
- WAOL instructions begins—Summer Qtr.

## July 2012

- 2 • Summer Qtr. tuition or first payment in Payment Plan due

## Summer Quarter Starts July 2, 2012

For more information on calendar events visit our website at [www.lwtech.edu](http://www.lwtech.edu)

- \* Advising Day—No classes, buildings open. See your adviser to plan enrollment and check progress toward completion.
- ♦ Go to [www.lwtech.edu](http://www.lwtech.edu) and select Current Students, Student Toolbox.
- For classes that start during the first five days of the quarter. Refund deadlines may differ for classes that begin after the first week of the quarter. Refund deadlines may also differ for Washington Online, extended learning classes, and classes with start dates mid-quarter and later.

On the cover: students enjoying a break between classes.

**Sign Up for LWIT's  
 Emergency Alerts!**

**Don't be the last to  
 know when the  
 campus is closed!  
 It's easy to sign up.**

Go to **www.lwtech.edu/alerts**

Once you are signed-up you will receive e-mail or text message alerts whenever the campus is closed due to an emergency.

## Getting Started at LWIT

### Get Ready...

**Request Admissions and Program Information**

- E-mail [admissions@lwtech.edu](mailto:admissions@lwtech.edu); or
- Call (425)739-8104 or FAX (425)739-8110; or
- Mail a request to: Enrollment Services  
Lake Washington Institute of Technology  
11605 132nd Avenue NE  
Kirkland, WA 98034
- Attend a LWIT Information Session:  
Tuesdays from 10:00am – Noon in W204F  
Learn about our college, the admissions process, and financial aid. Meet instructors, explore training opportunities, and ask about job opportunities in your field of interest.

### Get Set...

**Apply for Admissions**

- Online at [www.lwtech.edu](http://www.lwtech.edu); or
- Mail application to the address above; or  
In person at Enrollment Services during business hours:  
Monday through Friday 7:30am – 4:30pm  
Evening hours Tuesday and Wednesday until 6:00pm

**Take Assessment Test and Submit Official Transcripts**

- The COMPASS assessment test provides placement information for math and English courses and may be required for some technical classes or programs. For more information call (425)739-8115
- To transfer credit from a previous college, military training, or AP/IB, request official transcripts and either bring them in or have them sent to Enrollment Services. Evaluations take 2-3 weeks with results posted to your transcript.

**Apply for Financial Aid**

- Financial aid is available for qualified students. To be considered for full funding, apply early. Fill out the free application online at [www.fafsa.ed.gov/](http://www.fafsa.ed.gov/) or call (425) 739-8106 to have an application sent to you.

**Meet with an Adviser/Attend Orientation**

- Review degree or certificate requirements, plan your course of study and select courses. Students who have applied to the college will be notified of upcoming orientation times. To speak with a program adviser or to get information on classes, please call (425)739-8300.

### Go...

**Register for Classes**

- You are now on your way towards the successful completion of your certificate or degree. Remember that tuition is generally due by the start of the quarter, and you may pay online or in-person. Contact Enrollment Services for additional details (425)739-8104.

## Admission to Lake Washington Institute of Technology

Admission requires that students have a high school diploma or equivalent or be at least 18 years of age or older. Apply online at [www.lwtech.edu](http://www.lwtech.edu).

Students enrolling in degree or certificate programs, registering for 15 credits, or who have earned 25 credits at LWIT, must apply for admission.

Students 16 to 21 years old who have not graduated from high school may be able to enroll through Lake Washington Technical Academy. See High School Program Admission below.

## International Student Programs

Lake Washington Institute of Technology is committed to providing an excellent educational experience for international students. We value the diversity of perspectives and experiences international students bring to the college, and are dedicated to making their experience rewarding and memorable. International Programs provides international student orientation, workshops and seminars, personalized individual attention, and specialized immigration and visa support.

### Intensive English Program (IEP)

No TOEFL score is required to enroll in classes. Designed as a technical/preparatory program, our goal is to assist international students with their English skills for American college life.

### Degree and Certificate Programs

International students are welcome to attend any of our over 100 degree and certificate programs. To request application materials or more information contact:

International Student Programs  
Lake Washington Institute of Technology  
11605 132nd Ave. NE, E126  
Kirkland, WA 98034  
E-mail: [international.students@lwtech.edu](mailto:international.students@lwtech.edu)  
Fax: 1-(425)739-8110  
Phone: 1-(425)739-8145  
Web: [www.lwtech.edu/international](http://www.lwtech.edu/international)

### Deadlines and Applications

For best service, please submit above materials at least one quarter (3 months) before classes begin. Late applications are accepted on a space-available basis. Contact our office or visit our website for more information.

### Visa Information

This school is authorized to sponsor students in F and M non-immigrant visa classifications.

### Tuition for International Students

A tuition table is listed on page 50.

## High School Program Admission

Through college-level job training programs, Lake Washington Institute of Technology supports students' successful transition from high school to college and then to work. Below is a brief summary of our programs, including contact information.

### Running Start

Qualified high school juniors and seniors can take approved general education or technical credit classes at LWIT. Consult with your high school counselor for more information or contact the LWIT Running Start coordinator at (425)739-8180.

### Tech Prep

High school students may earn credit toward a degree or certificate at Lake Washington Institute of Technology if

they completed related coursework at a high school that has a Tech Prep agreement with the college. For more information, contact your high school counselor or Kim Infinger (Lake Washington Institute of Technology), Principal and Dean of High School Programs, (425)739-8107.

**Adult High School Completion**

Students who are 18 years or older may earn a high school diploma through the college. An official transcript of previous work is required prior to appointment. Interested students should make an appointment for a transcript evaluation by calling (425)739-8107. Credit and course requirements are prescribed by the State of Washington.

Students are required to complete a minimum of one course at LWIT in order to be eligible. Alternatively, students who are 21 or older and have earned an associate’s degree from LWIT can be awarded the adult high school diploma.

**Lake Washington Technical Academy**

**A unique high school program combining job training, certificate or degree completion, and ability to complete a high school diploma.**

Here’s an opportunity to get a head start on preparing for the world of work while completing credits for a high school diploma. Lake Washington Technical Academy, accredited by the Northwest Accreditation Commission (NWAC), is for students who are \*16 to 20 years old, are high school juniors or seniors, are self-motivated, capable of setting and achieving individual goals, and willing to take personal responsibility for their success.

Vocational job training, general education and high school basic education classes are part of this plan. Students complete work for a Lake Washington Technical Academy diploma.

Students must meet GPA and other requirements for admission to Lake Washington Technical Academy. Enrollment is limited.

*\*Students must be 16 by September 1 for admission.*

**Gateway to College**

The Gateway to College High School Completion Program is for \*16–20 year olds who have dropped out or are at risk of dropping out and interested in returning to school and completing their high school diploma. While earning their high school diploma, students earn credits toward a college degree. Gateway to College students learn how to succeed in an educational setting, under the guidance of a caring team of instructors and student support specialists with experience and interest in at-risk youth.

Students must meet admission criteria for Gateway to College. Enrollment is limited.

**Underage Enrollment**

Generally students must be 18 or have a high school diploma or GED to enroll in LWIT. Students who are high school juniors or seniors are referred to the Lake Washington Technical Academy, Gateway to College or Running Start to explore eligibility through those programs.

If a student is not participating in these programs and wishes to register for a *single* course at LWIT, and this course is not specifically designed for a younger student, he/she may be considered for enrollment in this course in cases of exceptional circumstances. Such students must be (1) at least 14 and (2) at least in 9<sup>th</sup> grade at the time the course starts. (Courses that are specifically designed for underage students do not require an exception.) Regular tuition rates and fees apply. Students must purchase required textbook and materials. Steps for enrollment include obtaining certain scores on the COMPASS placement test and from their high school counselor. Please call the High School Programs office at (425)739-8107 for more information.

**For information on enrolling in any LWIT High School Program**

- Visit our website at [www.lwtech.edu/academy](http://www.lwtech.edu/academy)
- Call LWIT High School Programs office at (425)739-8107

**Accounting**

The Accounting program prepares students to gain a solid background in accounting. General education courses, business courses, and computer skills related to accounting such as spreadsheets, computerized accounting software, and payroll systems complete the curriculum. Students find jobs in companies ranging from small proprietorships to corporate accounting departments, governmental organizations and public accounting firms. Prerequisites: Keyboarding skill of 30 wpm or concurrent enrollment in a keyboarding class. For more information please call (425)739-8323 or e-mail [rex.jacobsen@lwtech.edu](mailto:rex.jacobsen@lwtech.edu).

## Bachelor Degree Program Offered at LWIT

Lake Washington Institute of Technology offers a Bachelor of Technology in Applied Design (BTAD) degree. This program will prepare you to lead and collaborate with teams of creative and technical professionals. You'll learn management skills with a design-related focus.

The program's hybrid/evening format allows you to take classes at night and online. If you have an A.A.S. degree in a design-related field, you're ready to start your application.

### Next BTAD Info Sessions:

### Auto Collision Repair Technician

The Auto Collision Repair Technician program prepares students for entry-level positions in the auto body repair and refinishing industry. The laboratory area simulates an actual industry repair environment and includes high-technology autobody and refinishing equipment. Students spend their first quarter of training in a transportation core curriculum series. The remaining quarters are spent developing general automotive autobody and refinishing skills. For more information please call (425)739-8300 or e-mail [info@lwtech.edu](mailto:info@lwtech.edu).

**TRAN 110 Computer Basics/Transportation Trades 2cr**

Prereq: ABED 040 or Math 070, and ABED 046, or equivalent placement scores. Coreq: TRAN 112, TRAN 113, TRAN 125.

4335 01 DAILY 7:00am-11:50am Knigge H Fee: \$40

**BAKE 120 Specialty Cakes and Design 6cr**

Prereq: CULA 127. Coreq: BAKE 110, BAKE 114.

5105 01 TWThF 8:00am-12:50pm Shaffer J Fee: \$60

**Make Jobs Come to You!**

**Create a Career Services Online (CSO) Job Agent**

**Step 1: Search Jobs**

- Log in to your CSO student account at [www.lwtech.edu/erc](http://www.lwtech.edu/erc)
- Go to "Jobs"/"Job Search"
- Select your program major from the "LWIT Majors" list, and press "Search"

**Step 2: Create a Job Agent**

- Click "CREATE Job Agent"
- Click "SAVE" Job Agent

Now you will receive an e-mail every time a job is posted for your program of study.

Information and Resources on the LWIT Employment Resource Center website: [www.lwtech.edu/erc](http://www.lwtech.edu/erc).

The ERC is ready to assist you in the West Building W-207, 425-739-8113 or [job.placement@lwtech.edu](mailto:job.placement@lwtech.edu).

**An inspiring and rewarding career**

Check out our **Occupational Therapy Assistant** program on page 27.

## Jobs for LWIT Students!

### Register for LWIT's Career Services Online (CSO) Employment System

- Go to [www.lwtech.edu/erc](http://www.lwtech.edu/erc)
- "Click here to Register"
- Complete your Profile
- Search for Jobs

Information and Resources on the LWIT Employment Resource Center website: [www.lwtech.edu/erc](http://www.lwtech.edu/erc).

The ERC is ready to assist you in the West Building W-207, 425-739-8113 or [job.placement@lwtech.edu](mailto:job.placement@lwtech.edu).

**P**arent Education is a cooperative effort between parents and educators to provide an active learning environment for both parents and children. Programs are available for families of infants through preschool age children. Each site has a well-developed early childhood environment that provides children exciting learning opportunities and serves as the lab for the parents. The programs include day and evening classes for parents to discuss topics and explore new ideas. To register, and for school-specific information, contact the registration coordinator at the location nearest you. For general information call (425)739-8100, ext.8764 or e-mail [kristine.anderson@lwtech.edu](mailto:kristine.anderson@lwtech.edu)

**Electronics Technology**

*In addition to major electronics instruction, a basic core of skills is incorporated throughout the curriculum. Students completing this program are eligible and well prepared to take the IPC, CET and FCC professional certification exams. Graduates are qualified for entry-level positions as testers, maintenance technicians, service lab technicians and field-service technicians. Many graduates are currently working in Bio-Medical, Telecommunications, Aerospace and Commercial Broadcasting as well as the Semiconductor Industry. For more information please call (425)739-8300 or e-mail info@lwtech.edu.*

### ELEC 234 IPC/WHMA-A-620 Certification Program 5cr

Prereq: ELEC 126 or instructor permission.  
2465 01 MTWTh 2:15pm-8:20pm Gryniuk J Fee: \$50

## Energy & Science Technician

The Energy & Science Technician AAS degree prepares students to work in both the public and private sectors. The program prepares students for employment as technicians in many areas such as biomedical and pharmaceutical laboratories, manufacturing operations, oil and gas companies, and environmental positions in public and private institutions. Graduates will also be qualified to serve as technical representatives across a range of industries that include developmental technologies in the renewable energy field. For more information please call (425)739-8300 or e-mail info@lwtech.edu.

### ETEC 110 Intro to Alternative Energy & Energy Management 5cr

Prereq: MATH 090, ABED 046, or equivalent placement scores, or instructor permission.  
2820 01 TTh 1:10pm-4:00pm Staff Fee: \$50

### ETEC 123 Introduction to Photovoltaic Systems 4cr

Prereq: ETEC 110 or instructor permission.  
2825 21 MW 5:30pm-7:50pm Staff Fee: \$40

### ETEC 124 Fundamentals of Water and Wind Power 5cr

Prereq: ETEC 110 or instructor permission  
2830 01 MW 1:10pm-4:00pm Staff Fee: \$50

### STEC 198 Cooperative Work Seminar 1cr

Coreq: STEC 199  
4328 01 ARR ARR Dalich G

### STEC 199 Cooperative Work Experience 4cr

Coreq: STEC 198  
4329 01 ARR ARR Dalich G

### STEC 200 Good Laboratory Practice 4cr

Prereq: MATH 090, ABED 046, or equivalent placement scores, or instructor permission.  
4325 21 TTh 1:10pm-3:30pm Staff Fee: \$40

### STEC 225 Quality and Statistical Process Control 5cr

Prereq: MATH 090 and ABED 046 or equivalent placement score or instructor permission.  
4330 H21 TTh 5:30pm-7:50pm Staff

## Engineering Graphics

The Engineering Graphics program offers in three areas of specialization: architectural, civil, and mechanical. Students interpret sketches, layouts, CAD designs, and written specs into detailed drawings/specs. Prepares students for careers with construction firms, product manufacturers, building design firms, and public or corporate engineering departments. For more information please call (425)739-8300 or e-mail info@lwtech.edu.

### ARCH 201 History of American Architecture 3cr

Prereq: ENGT 101 or instructor permission.  
1215 01 MTWTh 1:10pm-6:30pm Mandy R Fee: \$45

### ARCH 205 Theory of Architecture 3cr

Prereq: ENGT 101 or instructor permission.  
1220 01 MTWTh 1:10pm-6:30pm Mandy R Fee: \$45

### ARGT 111 Architectural Print Reading I 2cr

Prereq: ENGT 101 or instructor permission.  
1225 01 MTWTh 1:10pm-5:30pm Staff Fee: \$30

### ARGT 112 Construction Techniques 4cr

Prereq: ARGT 111.  
1230 01 MTWTh 1:10pm-5:30pm Staff Fee: \$60

### ARGT 121 Architectural Graphics 4cr

Prereq: ENGT 101 or instructor permission.  
1235 01 MTWTh 1:10pm-5:30pm Staff Fee: \$60

### ARGT 131 Revit Architecture I 4cr

Prereq: ARGT 222 and ENGT 131, or instructor permission.  
1240 21 TTh 6:00pm-8:50pm Staff Fee: \$60

### ARGT 132 Revit Architecture II 4cr

Prereq: ENGT 131, ARGT 131.  
1245 21 TTh 6:00pm-8:50pm Staff Fee: \$60

### ARGT 211 Architectural Print Reading II 2cr

Prereq: ARGT 222 or instructor permission.  
1250 01 MTWTh 1:10pm-5:30pm Mandy R Fee: \$30

### ARGT 221 Residential Design Drawings 4cr

Prereq: ARGT 211 and ARCH 201, or instructor permission.  
1255 01 MTWTh 1:10pm-5:30pm Staff Fee: \$60

### ARGT 222 Residential Construction Documents 4cr

Prereq: ARGT 221, or instructor permission.  
1260 01 MTWTh 1:10pm-5:30pm Staff Fee: \$60

### ARGT 225 Construction Management and Estimating 4cr

Prereq: MATH 099, ARGT 112, or instructor permission.  
1265 01 MTWTh 1:10pm-5:30pm Mandy R Fee: \$60

### ARGT 241 Architectural Illustration 4cr

Prereq: ENGT 131 or ARGT 131.  
1270 01 MTWTh 1:10pm-5:30pm Mandy R Fee: \$60

### ARGT 261 Architectural Problems I 4cr

Prereq: ENGT 132, ARGT 222.  
1275 01 MTWTh 1:10pm-7:00pm Mandy R Fee: \$60

### ARGT 262 Architectural Problems II 4cr

Prereq: ARGT 222.  
1280 01 MTWTh 1:10pm-7:00pm Mandy R Fee: \$60

### CEGT 100 Introduction to Civil Engineering Technology 4cr

Prereq: ENGR 113 or instructor permission.  
1730 01 DAILY 1:10pm-6:00pm Ho J Fee: \$60

### CEGT 211 Civil Engineering Graphics 4cr

Prereq: ENGR 113 and ENGT 132, or instructor permission.  
1735 01 DAILY 1:10pm-6:00pm Ho J Fee: \$60

### Environmental Horticulture

Learn plant identification, plant propagation, botany, landscape design, soils, pruning, and plant management and more. Through time spent in practical hands-on training, students will be prepared for a variety of careers in the horticulture industry, including landscape design, installation and maintenance, nursery sales, golf course maintenance, and estate gardening. Industry based training experience is an option. Many classes include field trips and guest speakers. For more information please call (425)739-8300 or e-mail [info@lwtech.edu](mailto:info@lwtech.edu).

**Funeral Service Education**

The Funeral Service Education AAS degree prepares students to achieve entry-level proficiency as an embalmers and funeral directors. The program is designed to be completed in 7 quarters of full-time study. For more information please call (425)739-8300 or e-mail info@lwtech.edu.

The FSE program has as its central aim the recognition of the importance of funeral service personnel as:

- Members of a human services profession,
- Members of the community in which they serve,
- Participants in the intimate relationship between bereaved families and those engaged in the funeral service profession,
- Professionals sensitive to and knowledgeable of the responsibility for public health, safety, and welfare in caring for human remains.

The program has the following purposes:

- To enlarge the background and knowledge of students about the funeral service profession.
- To educate students in every phase of funeral service, and to help enable them to develop the proficiency and skills necessary to become functional members of the profession.
- To educate students concerning the responsibilities of the funeral service profession to the community.
- To emphasize high standards of ethical conduct.
- To provide a comprehensive curriculum at the post secondary level of instruction.
- To encourage research in the field of funeral service.

CAUTION: Students applying for admission to the Funeral Services Education program should contact their respective state boards of funeral services regarding that state board's approval of this particular program of instruction.

**Human Resources Generalist**

The Human Resources Generalist program is designed for the working professional wishing to enter the Human Resource (HR) field, professionals wanting to enhance their HR and personnel knowledge, HR professionals wishing to advance in their field, certified HR professionals seeking re-certification hours, and managers wanting to get a better understanding of HR. Certified HR professionals may qualify for re-certification hours toward their Professional in Human Resources (PHR), Senior Professional in Human Resources (SPHR) and Global Professional in Human Resources (GPHR) certifications from the HR Certification Institute (HRCI). This program is focused on evening courses, thus allowing people who are employed to upgrade their skills and receive a certificate.

### Motorcycle, Marine & Power Equipment Service Technology

The Motorcycle, Marine & Power Equipment Service Technology program provides students with a broad range of entry-level technical skills by working on representative models of equipment serviced in the motorcycle, marine and power equipment industries. Students will spend their first quarter of training in a transportation core curriculum. Cooperative work experience is available with instructor permission. The Harley-Davidson® Elective will uniquely position successful completers to enter Harley® dealerships in a variety of capacities. For more information please call (425)739-8300 or e-mail info@lwtech.edu.

**TRAN 110 Computer Basics/Transportation Trades** **2cr**

Prereq: ABED 040 or Math 070, and ABED 046, or equivalent placement scores. Coreq: TRAN 112, TRAN 113, TRAN 125.

4365 01 DAILY 7:00am-11:50am Knigge H Fee: \$40  
 4370 01 DAILY 9:00am-2:20pm Sutherland D Fee: \$40

**TRAN 112 Shop and Business Practices** **5cr**

Prereq: ABED 040 or MATH 070, and ABED 046, or equivalent placement scores. Coreq: TRAN 110, TRAN 113, TRAN 125.

4405 01 DAILY 7:00am-11:50am Knigge H Fee: \$100  
 4410 01 DAILY 9:00am-2:20pm Sutherland D Fee: \$100

**TRAN 113 Basic Electrical Systems** **4cr**

Prereq: ABED 040 or MATH 070, and ABED 046, or equivalent placement scores. Coreq: TRAN 112, TRAN 113, TRAN 125.

4445 01 DAILY 7:00am-11:50am Knigge H Fee: \$80  
 4450 01 DAILY 9:00am-2:20pm Sutherland D Fee: \$80

### Nursing Prerequisites

Nursing students may choose from the following list of prerequisites. Consult your adviser for a complete list of program requirements.

<b>Nursing prerequisite offerings:</b>			
BIOL&	241	Human A & P 1*	6cr.
BIOL&	242	Human A & P 2	6cr.
CHEM&	121	Intro to Chemistry	5cr.
ENGL&	101	English Composition I	5cr.
NURS	107	Nursing Assistant Theory	5cr
NURS	108	Nursing Assistant Lab	3cr
NURS	109	Nursing Assistant Practicum	3cr
MATH&	146	Statistics	5cr.
PSYC&	200	Lifespan Psychology	5cr.
<b>Nursing recommended prerequisite offerings:</b>			
PSYC&	100	General Psychology	5cr.
* BIOL& 211 must be completed before this class			

*Some students need additional classes. To make sure you are on track to complete all admission requirements, please attend an information session. Dates and locations can be found at [www.lwtech.edu/advising/nursing](http://www.lwtech.edu/advising/nursing)*

**Nursing**

The Registered Nurse Program prepares students to practice professional nursing in a variety of settings. The Practical Nurse program prepares students for employment as a Practical Nurse in various settings. Graduates of the programs are eligible to take the examination for licensure, NCLEX. For more information please call (425)739-8300 or e-mail info@lwtech.edu.

**NURS 110 Introduction to Pathophysiology 3cr**

Prereq: Instructor permission. Coreq: NURS 111, NURS 112, NURS 113, NURS 116, NURS 117.

3715 01 Th 2:00pm-5:00pm Fatherazi S

**NURS 111 Nursing Foundations 4cr**

Prereq: Instructor permission. Coreq: NURS 110, NURS 112, NURS 113, NURS 116, NURS 117.

3720 01 F 9:00am-1:00pm Cavanaugh R Fee: \$95

**NURS 112 Nursing Foundations Practicum 2cr**

Prereq: Instructor permission. Coreq: NURS 110, NURS 111, NURS 113, NURS 116, NURS 117.

## Student Payment Plan

### What is it?

The Student Payment Plan will allow you to set up automatic payments for your quarterly tuition and fees in monthly installments.

### How does it work?

You set up automatic monthly payments from your bank account (ACH) or credit/debit card for each academic quarter.

### How do I sign up?

It's easy! After you have registered for classes, go online to [www.lwtech.edu/pplan](http://www.lwtech.edu/pplan) and follow the instructions.

For further details go to [www.lwtech.edu/pplan](http://www.lwtech.edu/pplan) or contact Student Accounts at (425)739-8184 or e-mail [studentaccounts@lwtech.edu](mailto:studentaccounts@lwtech.edu)

**Online Registration:** Continuing Education provides online courses through Ed2Go and Gatlin Education. Registration and payment for online classes takes place online at [www.ed2go.com/lwtech](http://www.ed2go.com/lwtech) and [www.gatlineducation.com/lwtech](http://www.gatlineducation.com/lwtech). For assistance with online registration, please contact the Continuing Education Office at (425)739-8112 or e-mail us at [ce@lwtech.edu](mailto:ce@lwtech.edu).

\*\*To comply with federal laws, we are required to ask for your Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). We will use your SSN/ITIN to report Hope Scholarship/Life Time tax credit, to administer state/federal financial aid, to verify enrollment, degree and academic transcript records, and to conduct institutional research. If you do not submit your SSN/ITIN, you will not be denied access to the college; however, you may be subject to civil penalties (refer to Internal Revenue Service Treasury Regulation 1.6050S-1(e)(4) for more information). Pursuant to state law (RCW 28B.10.042) and federal law (Family Educational Rights and Privacy Act), the college will protect your SSN from unauthorized use and/or disclosure.

# About Continuing Education Courses

## Online Courses

### Gatlin Education Services

Through an exciting partnership with Gatlin Education Services, Continuing Education is pleased to announce new distance learning (online) non-credit training programs for Business and Healthcare Professionals. These certificate courses are practical and comprehensive... preparing you for new challenges in your career! Register and begin these programs at any time at [www.gatlineducation.com/lwtech](http://www.gatlineducation.com/lwtech)

### Education to Go

In partnership with Education to Go, Continuing Education at Lake Washington Institute of Technology is pleased to offer the following classes for your Professional and Personal Enrichment! These "instructor facilitated" courses start every month (two lessons per week for six weeks). Register at [www.ed2go.com/lwtech](http://www.ed2go.com/lwtech)

## Under Age Policy

Lake Washington Institute of Technology Education provides offerings primarily for adults. Unless a course is specifically geared toward a younger age group, students under 18 years must obtain permission to enroll a class.

A student under 18 years old may enroll class with the required release form (e-mail [ce@lwtech.edu](mailto:ce@lwtech.edu) to request the form), and fax to (425)739-8110 prior to the registration.

## Withdraw & Refunds

**Class meets 2 or more times:** refund request must be received by Continuing Education office prior to second class meeting.

**Dance Classes:** refund request must be received 48 hours prior to the first class meeting.

**Class meets just once:** refund request must be received prior to class meeting.

A 100% refund will be made if LWIT cancels the class or event.

**Classes with material & supply fees:** refund must be received at least 3 days prior to the first class meeting in order to receive 100% refund. After 3 days, refunds will follow the normal refund policy but will be for tuition only.

Students may request a refund by phone or in person.

Phone: (425)739-8112

E-mail: [ce@lwtech.edu](mailto:ce@lwtech.edu)

Address: LWIT Continuing Education Office (W304)

## Key to Continuing Education course listings

Beginning on page 36, courses are listed alphabetically by topic. Where applicable, mini certificates are listed first, then non-credit courses are listed under subtopics, followed by online course listings.

Courses held anywhere other than the Kirkland or Redmond campuses are considered off-campus locations and are highlighted with a shaded box. See page 61 for off campus course addresses and directions.

Please visit [www.lwtech.edu/ce](http://www.lwtech.edu/ce) for the most current course listings.

KEY TO COURSE LISTINGS	
Program Subtopic Heading	■ CHINESE
Course Title	<b>Beginning Chinese</b> COLA 080
Course Description	Have you ever thought about learning another language? Do you know Chinese is the third most popular language in the world? Students will learn how to speak Mandarin for greetings, shopping, dining, and travel. Class is designed for the beginners with little or no Chinese language experience.
Item Number & Section	Item 9215 R21 1/07/09-2/25/09

## Computer Systems & Applications/IT Technology

### ■ IT TECHNOLOGY

#### **Combined Basic & Advanced Fiber Optic Technician** **COCU 080**

This course is designed for AVOTEC program attendees who wish to attain their CFOT and AFOT certifications in a single offering. The combined Course saves time and money, and in many respects is a very efficient means to fully immerse yourself into fiber optics. Successful attendees are awarded two levels of certification: Basic-CFOT and Advanced – AFOT.

Item 9085                      3/27/2012-3/29/2012  
8:00am-4:00pm      Tu, W, Th      Staff      Fee: \$600

### ■ EXAM PREPARATION

#### **Adobe Certified Associate (ACA) Exam Prep in Photoshop CS5** **COCU 096**

This course prepares students or design industry practitioners to sit for the Adobe Certified Associate (ACA) exam in Photoshop CS5. ACA certification offers the following benefits: validation of proficiency in Adobe digital communications tools, industry-recognized certification, and differentiation in a competitive job market. ACA course exam objectives can be found on Adobe's website. Students should have working knowledge of the software before taking the course; completion of MMDP [122] [123] [133] or six months experience working with the software recommended. LWIT also offers the ACA exams through the Assessment Center; separate registration and fee applies.

Item 9055                      5/5/2012-5/19/2012  
10:00am-Noon      Sa      Staff      Fee: \$69

#### **Adobe Certified Associate (ACA) Exam Prep in Flash CS5** **COCU 097**

This course prepares students or design industry practitioners to sit for the Adobe Certified Associate (ACA) exam in Flash CS5. ACA certification offers the following benefits: validation of proficiency in Adobe digital communications tools, industry-recognized certification, and differentiation in a competitive job market. ACA course exam objectives can be found on Adobe's website. Students should have working knowledge of the software before taking the course; completion of MMDP [122] [123] [133] or six months experience working with the software recommended. LWIT also offers the ACA exams through the Assessment Center; separate registration and fee applies.

Item 9056                      5/5/2012-5/19/2012  
Noon-2:00pm      Sa      Staff      Fee: \$69

#### **Adobe Certified Associate (ACA) Exam Prep in Dreamweaver CS5** **COCU 098**

This course prepares students or design industry practitioners to sit for the Adobe Certified Associate (ACA) exam in Dreamweaver CS5. ACA certification offers the following benefits: validation of proficiency in Adobe digital communications tools, industry-recognized certification, and differentiation in a competitive job market. ACA course exam objectives can be found on Adobe's website. Students should have working knowledge of the software before taking the course; completion of MMDP [122] [123] [133] or six months experience working with the software recommended. LWIT also offers the ACA exams through the Assessment Center; separate registration and fee applies.

Item 9057                      5/5/2012-5/19/2012  
2:00pm-4:00pm      Sa      Staff      Fee: \$69

#### **Survey of Information Technology Certifications** **COBU 047**

Not all IT certifications are created nor viewed as being equal in a fast-moving and constantly changing market place. In today's competitive job market, individuals choosing to pursue an IT profession need to find ways to differentiate themselves from other job applicants. Professional IT certifications are one way to achieve this differentiation. Deciding what IT certification to pursue can be a daunting endeavor as there are as many choices and may require a significant investment of time and money.

This course provides an overview of IT certifications, their relevancy to short and long-term industry trends, barriers to entry, the value of testing, and practical exercises on how to research and determine a feasible IT career path.

Item 9120                      4/21/2012  
9:00am-1:00pm      Sa      Dilanni, J      Fee: \$49

Secrets of the Caterer DLFO 107  
Item 9730 E1 Fee: \$109

**Digital Photography****Digital Photography** COPH 101

You've paid the money, got the camera, and now it's time to learn how to take photos! In this hands-on course you will learn the basics of photography including: composition, light, color, texture and framing and you will also learn the specifics of how these are used with digital photography. You will also learn specifics and quirks of digital photos. Outside of class time, students may have possibility of field trips.

Item 9095 4/17/2012-5/8/2012  
6:30pm-9:30pm Tu McCarty S Fee: \$72

**Intermediate Digital Photography** COPH 102

The next step beyond the basics. This class will explore some of the important characteristics of digital photography that need to be understood in order to effectively create and share your images. Among the topics that will be discussed are: Image size and resizing for various usages. Preparing images for web use, email, and printing; the various file formats used for pictures (such as "jpg", "tif"). File compression, quality settings; fine tuning exposure through an understanding of the histogram. White Balance settings. ISO settings and digital "noise"; photo editing, the most important post-processing operations such as color correction, tonality corrections, cropping and sharpening; If your camera can save "raw" files, what are the benefits of using them? An introduction to the concepts of color space (sRGB, Adobe RGB, ProPhoto RGB) and color depth (8 bit, 16 bit).

Prerequisites: Class participants should understand the basic use of their cameras, as well as fundamental photographic principles such as f-stops, shutter speeds, and depth-of-field. These will be discussed, but at more advanced level.

Item 9096 5/14/2012-6/11/2012  
6:30pm-9:30pm M Krebs C Fee: \$84

**Fitness**

■ **DANCE**

All dance classes are offered at North Bellevue Community Center, 4063 148th Avenue NE, Bellevue, WA 98007.

**Latin Sampler** CODA 120

Add some Latin spice to your life. Learn the basics in the Salsa and Rumba. Dancing is a great form of exercise! Come see what the buzz is all about!

■ HEALTH AND WELLNESS

**Deep Tissue of Prone Paraspinals and Seated Shoulders** COME 190

We will focus on some muscle-specific Deep Tissue Paraspinal techniques that are different from but complementary to what you probably learned in massage school. The emphasis will be on techniques to release and unbind the erector spinae group, the transversospinalis group, the lumbodorsal fascia, and the quadratus lumborum. These are straightforward, muscle-specific techniques that will improve the precision and effectiveness of your back massage, and they can be immediately applied in practice. We will also do some powerful seated DT techniques to release the fascia of the trapezius, rhomboids, and levator scapulae. 4.5 CE hours, NCBTMB-approved This is a continuing education course for Licensed Massage Therapists/Practitioners.

Item 9051 6/23/2012  
1:00pm-5:30pm Sa Utting B Fee: \$99

■ **TEST PREPARATION**

**City of Seattle ROL Test Preparation** CORL 105

This course is designed for those employed in the Building Maintenance and/or HVAC trades seeking industry certification. This course will cover basic maintenance principles and operation of small refrigeration systems under fifty horsepower. This course will introduce the student to the City of Seattle refrigeration license law and present material to prepare students to sit for the City of Seattle (or other Municipal License) Refrigeration Operators License and introduce them to EPA 608 CORE requirements

Item 9037 5/5/2012-6/9/2012  
8:00am-Noon Sa Jacallan D Fee: \$159

**WABO Plate Test Preparation** COWD 180

This class will allow experienced welders practice and coaching in preparation for WABO Plate test, SMAW, FCAW, GMAW OR GTAW.

Item 9032 4/6/2012-6/15/2012  
5:00pm-10:00pm F Staff Fee: \$439 Lab Fee: \$50

**WABO Pipe 6GR Test Preparation** COWD 185

This class will allow experienced welders practice and coaching in preparation for WABO Plate test, SMAW, FCAW, GMAW OR GTAW.

Item 9033 4/8/2012-6/17/2012  
7:00am-Noon Su Staff Fee: \$439 Lab Fee: \$50

■ **MOTORCYCLE MAINTENANCE**

**Motorcycle Maintenance** COVM 048

Roll-up your sleeves and get ready to get your hands dirty. This basic course for enthusiasts includes engine theory, electrical and fuel systems, lubrication, brakes, tires, and tools. This course is not manufacturer specific.

Item 9035 4/23/2012-6/11/2012  
6:00pm-9:00pm M Dale D Fee: \$189

**Motorcycle Maintenance – Advanced** COVM 049

This class takes a look at more advance and complex problem of engine theory, electrical and fuel systems, lubrication, brakes, tires, and tools. This course is not manufacturer specific.

Item 9036 4/25/2012-6/6/2012  
6:00pm-9:00pm W Dale D Fee: \$189

■ **AUTOMOBILE RESTORATION**

**Automobile History – Restoration & Research** COVM 090

If you are a restoration hobbyist, beginner in the Restoration Industry, technician in the collision industry interested in the restoration industry, and/or possibly a person interested in writing about the restoration industry this may be the course for you. This course covers the history of the automobile and how the restoration industry was developed and the role of the restoration trade. It includes how to research restoration needs of a vehicle, tracking cost and determining product availability. This course may include a visit to a restoration facility.

Item 9034 4/21/2012-5/20/2012  
8:00am-Noon Sa Staff Fee: \$159

■ **WELDING**

**Welding for Garden Art** COWD 162

This introductory welding course employs a step-by-step process to enable you to create beautiful garden art and teach you the basics of welding at the same time. The focus of this course is oxyfuel and metal arc welding. Various other metalworking techniques may also be covered. Personal protective equipment and other supplies are required (check the equipment list online at [www.campuce.net/lwtech](http://www.campuce.net/lwtech) or call 425-739-8112). No previous experience required.

Item 9040 4/14/2012-6/2/2012  
8:30am-11:30am Sa Capouillez S Fee: \$219

**Open Lab for Welders** COWD 165

Do you have unfinished projects? Do you want to improve your welding skills? The Open Lab for Welders is perfect for you! With the supervision of our expert welding instructor, you will have the freedom to work on whatever projects you choose. First day of class will include required safety orientation.

Item 9041 4/14/2012-6/2/2012  
8:30am-11:30am Sa Capouillez S Fee: \$199

**Welding for Gearheads** COWD 170

A hands on experience approaching welding as a maintenance and repair tool for automotive, motorcycle and other special interest vehicle enthusiasts. Activities will include oxyacetylene joining and cutting techniques. Brazing and stick welding will also be emphasized. Gas Tungsten Arc Welding will be offered for students showing appropriate skills. Problem-solving and repair involving students projects is encouraged, subject to instructor approval. Personal protective equipment and other supplies are required (check the equipment list online at [www.campuce.net/lwtech](http://www.campuce.net/lwtech) or call 425-739-8112). No previous experience required.

Item 9045 4/14/2012-6/2/2012  
Noon-3:00pm Sa Capouillez S Fee: \$219

**Metal Forming for Industry** COWD 180

This course is designed for those with fabrication industry experience and looking for a more technical understanding of metal forming. This class will be focusing on educating students in safety, tooling, setting up and operations with a variety of methods including: hot & cold forming, forging, die forming, flame straightening and press break.

Item 9047 4/2/2012-6/18/2012  
5:00pm-9:30pm M Meyers D Fee: \$452

## Teach for LWIT

We value your education and expertise. We've found that instructors like you offer a wealth of opportunity to our lifelong learners.

If you're interested in teaching a course for LWIT, please go to our website at [www.lwtech.edu/ce](http://www.lwtech.edu/ce) and complete the *Continuing Education & Community Events Course Proposal Form*.

## Assessment Center

### West Building, W204

- Testing Calendar available online at [www.lwtech.edu/assessment](http://www.lwtech.edu/assessment)
- To make an appointment e-mail [assessmentstaff@lwtech.edu](mailto:assessmentstaff@lwtech.edu) or call (425)739-8115.
- Valid government photo ID required for all tests; CLEP requires 2 forms of government ID.
- Arrive 15 minutes early for all exams
- Accommodation arrangements must be made in advance
- DSS accommodated testing for LWIT classes by appointment
- Please be prepared to schedule your test 2–4 weeks in advance

## Testing Calendar

available online at

[www.lwtech.edu/assessment](http://www.lwtech.edu/assessment)

## Services for Students with Disabilities

LWIT is committed to providing support services to students with disabilities in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Students who need assistance should make an appointment to see the Disability Support Services Coordinator by calling (425)739-8300, going to W207, or visiting the website at [www.lwtech.edu/dss](http://www.lwtech.edu/dss).

## TRiO Projects

### Tutoring Services for Students with Disabilities

TRiO Support Services for Students with Disabilities (SSSD) is a Federal grant focused on the retention, graduation and/or transfer of students with disabilities. Support services provided include tutoring, academic advising, academic success workshops, transfer workshops, educational and career planning, learning labs, mentoring and financial education. To be eligible for Project services, participants must be registered with LWIT Disabilities Support Services. For an application packet, please call (425) 739-8361, (425) 739-8249, or (425) 739-8353 or stop by W207N or go to <http://www.lwtech.edu/trio>. All services are free to eligible students.\*

\* *Services are provided free through a grant from the U.S. Department of Education. The Lake Washington Institute of Technology Support Services for Students with Disabilities TRiO Project is 100% federally funded annually at \$230,884.*

### Tutoring Services for First-Generation and/or Low-Income Students

TRiO Student Support Services (SSS) is a Federal grant focused on the retention, graduation and/or transfer of students who are first-generation and/or low-income. Support services provided include tutoring, academic advising, academic success workshops, transfer workshops, educational and career planning, learning labs, mentoring and financial education. To be eligible for Project services, participants must be first-generation (neither parent has a bachelor's degree)

and/or low-income based on TRiO guidelines. For an application packet, please call (425)739-8361, (425)739-8351, or (425)739-8360 or stop by W207N or go to <http://www.lwtech.edu/trio>. All services are free to eligible students.\*

\* *Services are provided free through a grant from the U.S. Department of Education. The Lake Washington Institute of Technology Student Support Services TRiO Project is 100% federally funded annually at \$213,180.*

## You May Qualify for Free Courses at LWIT

Find out if you qualify for one of these opportunities through funding agencies that assist students in paying for college:

### Worker Retraining Program

(425)739-8206

The Worker Retraining Program provides educational and career planning to help dislocated and unemployed workers, displaced homemakers, and formerly self-employed workers retrain in a vocational field and return to work. Students may qualify for assistance with tuition and fees, and continue to receive unemployment benefits while attending one of LWIT's many occupational programs.

### WorkFirst Program

(425)739-8339

WorkFirst is an innovative partnership involving the college, the Department of Social and Health Services (DSHS), Employment Security Department (ESD), community-based organizations, business, and labor. The goal of WorkFirst is to assist TANF families, through training and basic education, to move permanently off all forms of public assistance and to become self-sufficient. TANF families may be eligible for:

- Tuition and books
- Individualized support to reach your goals
- Referrals to community resources
- Educational and career planning
- Job search assistance and resources

For more information contact the WorkFirst Coordinator at (425)739-8339 or stop by W207

### Opportunity Grant

West Building W207

(425)739-8100, x8448

The Opportunity Grant Scholarship assists low-income students in reaching their educational and career goals in high-wage, high-demand occupations. Students must be in Business, Accounting or Healthcare programs, a Washington State resident, and meet income eligibility guidelines. Services include tuition and books, support services, tutoring, education and career planning, and assistance with job placement.

### Pacific Associates

(206)728-8826

King County residents who meet income guidelines.

### Department of Vocational Rehabilitation

(425)649-4235

Individuals with documented disabilities.

### Bellevue Life Spring

(425)451-1175

Bellevue school district residents—support services.

### King County Work Training

(206)296-5220

King County (outside Seattle) youth, ages 16-21, who meet income guidelines.

**Veteran's Benefits**

LWIT has been authorized by the Department of Veterans Affairs to certify eligible veterans and their dependents educational benefits. Please see the veteran's adviser for additional information in the financial aid office, located in the West Building, W209.

**Early Learning Center**

Quality care for your child is available on campus through the LWIT Early Learning Center.

Our staff of well-qualified teachers provides an active, stimulating program which encourages learning through accomplishment. Our center provides services for students enrolled in LWIT classes and state employees. It is open to the general public on a space-available basis.

Register now—or contact us for more information and fee schedule. Call the childcare manager at (425)739-8117. Funding programs accepted.

**Developmentally Appropriate Program**

- Ages: | 1 year and walking through 7<sup>th</sup> birthday
- Hours: | 7am to 5:30pm, Monday–Friday, at LWIT Kirkland campus

**Academic Skills Center**

The Academic Skills Center (ASC) offers classes, individualized instruction, and tutoring for all students. New students are welcome. Come to Room T217 for help with:

- Reading
- Writing
- Spelling
- Math
- GED Preparation
- English Second Language (ESL)

**Hours**

Monday/Thursday	8am-4:30pm
Friday	8am-Noon
Tuesday/Wednesday	5:30pm-8pm

Call (425)739-8331 for information or to schedule an appointment for ESL placement.

**Writing Center**

If you want to improve your writing skills, come to the Writing Center, Room T217. You can access writing reference books, take home handouts on the writing process, receive tutorial assistance, and use Microsoft Word on both PC and Macintosh computers. Bring your own 3.5" high density disk to save your files.

**Hours:**

Monday–Thursday	8:00am–4:30pm
Friday	8:00am–Noon

**Tutoring is available:**

Monday–Friday	9:00am–11:00am
Tuesday & Thursday	2:00pm–4:00pm

Additional hours may be arranged.

**Accreditation**

Lake Washington Institute of Technology is accredited by the Northwest Commission on Colleges and Universities (NWCCU) at the associate degree level and has been granted candidacy at the baccalaureate degree level.

Lake Washington Technical Academy is accredited as a special high school by the Northwest Association of Schools and Colleges.

**The Family Educational Rights Act of 1974**

Lake Washington Institute of Technology has adopted procedures to comply with Public Law 93-380, the Family Educational Rights and Privacy Act of 1974 (FERPA). FERPA permits the college to make available to the public directory information which includes student names, dates of enrollment, degrees or certificates earned, eligibility for participation in official activities and organizations, program of study, honors or awards received, and enrollment status (full-time or part-time).

Other information may be released to military recruiters as required under the Solomon Amendment, a federal statute.

The Student Identification Number may be posted to checks or charge slips as part of routine processing. Also, certain student information is provided to other contracted agencies, such as National Student Clearinghouse, as provided by college policy to deliver services to students. FERPA entitles the student to view educational records, request amendment of records, consent to disclosure of personally identifiable information, and file complaints. Students needing more detailed information may obtain policies and procedures from the Enrollment Services office. Students wishing to be excluded from the student directory as defined in Public Law 93-380 are requested to file a petition with the Enrollment Services office.

**Limitation of Liability**

The college's total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.

**Nondiscrimination Statement**

Lake Washington Institute of Technology is committed to providing equal opportunity and non-discrimination to students, employees, and employment applicants without regard to race or ethnicity, creed, color, national origin, sex, marital status, sexual orientation, age, religion, the presence of any sensory, mental, or physical disability, or veteran status. Inquiries regarding compliance and/or grievance procedures may be directed to the college's affirmative action officer and Section 504/ADA coordinator: Mr. Greg Roberts, Human Resources, Lake Washington Institute of Technology, 11605 132nd Avenue NE, Kirkland, WA 98034-8506, (425)739-8212.

**Disclosure and Use of Social Security Number**

To comply with Internal Revenue Service Treasury Regulation 1.6050S-1(e)(4) and Section 6109 of the Internal Revenue Code, colleges must request your Social Security Number or Individual Taxpayer Identification Number (ITIN) in order to furnish you and the Internal Revenue Service with an annual statement (IRS form 1098-T) of tuition and fees that may qualify for American Opportunity, Lifetime Learning, or other education tax credit.

If you do not submit your SSN or ITIN, you will not be denied access to the college; however, you may be subject to IRS civil penalties of \$50 for failing to furnish a correct SSN or ITIN (refer to Internal Revenue Code Sections 6109 and 6723 for more information). Pursuant to state law (RCW 28B.10.042) and federal law (Family Educational Rights and Privacy Act), the college will protect your SSN/ITIN from unauthorized use and/or disclosure.

The social security number will not be used as a student identification number (SID). Instead, a separate number will be assigned for the SID. The SID should be safeguarded. It is a confidential number that could allow access to your records. Please address questions to Enrollment Services, West Building, W201.

### Gainful Employment Disclosure

For more information about our graduation rates, the median debt of our students who completed the program, and other important information, please visit our website at <http://www.lwtech.edu/GEdisclosure>.

### WashingtonOnline Courses

**WashingtonOnline** pools community and technical colleges in Washington State to offer distance education courses. Once you register for a **WashingtonOnline** course, you will be e-mailed instructions for logging into your course. Call (425)739-8303 for more information. Be sure to provide your own e-mail address when you register.

*NOTE: Washington Online courses operate on a different calendar from in-person classes. Please check the calendar on page 2 for more information.*

### Waitlists

#### How can you monitor your position or remove yourself from a waitlist?

Use online services, [www.lwtech.edu/studenttoolbox](http://www.lwtech.edu/studenttoolbox).

#### How do you know when you get into a class?

Until the week before the quarter starts, you will be notified either by e-mail or mailed a notice. Check your schedule on the Web regularly, and **go to class on the first day to talk with the instructor.**

#### Should you go to class if you are on a waitlist?

Yes, you should continue to check your status on the waitlist to see if you have been enrolled in the class. Once the quarter begins go to class and talk to your instructor.

#### Can you pay for a class while you are on a waitlist?

No, you must be enrolled in the class to pay.

#### What happens if you are put in a class you do not now want to be in?

Notify Enrollment Services during the first week of classes and complete an official withdrawal form. If you wait to withdraw you may be charged for the class even if you did not attend.

### Withdrawing from Courses

Withdrawals can be processed through the eighth week of the quarter. Students must withdraw by signed request in person, e-mail with student identification number and PIN, signed fax, or signed letter. The date of withdrawal is established when the withdrawal is received by Enrollment Services. For more information on refunds check the Refund Policy on page 51.

**WARNING:** Withdrawing from a class when you are receiving financial aid may reduce your funding eligibility and you may need to repay aid. Not attending does not in itself constitute withdrawal.

### Records

#### Unofficial Transcripts and Grades

Students can access transcripts and grades through the college's website at [www.lwtech.edu/studenttoolbox](http://www.lwtech.edu/studenttoolbox). Student Identification Numbers (SIDs) and Personal Identification Numbers (PINs) are required. Grades are not mailed.

#### Transferable Courses

Various courses may be transferred to other colleges within guidelines established by the Higher Education Coordinating Board. Many credit courses transfer to community and technical colleges or four-year universities. Consult with the institution you are planning to attend to check transferability.

For more information go to [www.lwtech.edu/transfer](http://www.lwtech.edu/transfer).

#### Transfer of Credits

For information about transfer of credits from LWIT to other colleges, contact: Student Development Services, West Building, W207, (425)739-8300.

### Financial Aid

Financial aid is available for eligible full-time and part-time students. Students and their families need not be low income to qualify for some kinds of financial aid. Information on the application form determines your eligibility for grants, scholarships, work study and low-interest loans. Your eligibility may be retroactive to your start date. Apply for aid as early as possible, preferably eight weeks before the deadline, to allow time for processing. For more information or to pick up an application and checklist of required materials, visit the Financial Aid Office in the West Building, W209, online at <http://www.lwtech.edu/financialaid>, or call (425)739-8106.

#### Financial Aid Application Deadlines

To be considered for full funding by the beginning of the quarter, completed financial aid applications must be received in the Financial Aid Office by the following deadlines:

**Spring Qtr. 2012      January 6, 2012**  
**Summer Qtr. 2012    April 15, 2012**

If you have received financial aid in the 2011-2012 award year (Spring quarter 2012 or before) you must renew your application for the 2012-2013 award year, beginning January 1, 2012.

To be eligible to receive financial aid at LWIT, you must have at least *one* of the following:

- High school diploma or GED.
- Meet the "ability to benefit" requirements by achieving the following scores on an ASSET or COMPASS test:  
 ASSET: numerical skills—33 or above;  
 reading/writing skills—35 or above on each.  
 COMPASS: writing skills—32 or above;  
 reading skills—62 or above: prealgebra/  
 numerical—25 or above
- Completion of a two-year program that is acceptable for full credit toward a bachelor's degree.

**Tuition for Credit Courses**

Match the total credits you are taking with the table amount to determine your tuition costs, taking into account applicable waivers as listed below. Add lab/supply fees listed with your courses, if any. **ALL TUITION AND FEES ARE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE. EFFECTIVE FALL 2011 THROUGH SUMMER 2012:**

COST PER CREDIT INCLUDES STUDENT ACTIVITY FEE, COMPREHENSIVE FEE, FACILITY FEE, SAFETY & SECURITY & BUILDING FEE

**Tuition Waivers**

Lake Washington Institute of Technology offers tuition waivers in accordance with State of Washington law and policies authorized by the State Board for Community and Technical Colleges for several categories of students including but not limited to the following:

- \*Non-resident students who are U.S. citizens will receive a waiver resulting in resident tuition rates plus required non-resident building fees. This waiver does not apply to baccalaureate classes.
- Children and Spouses of Totally Disabled or POW/MIA or deceased eligible veterans or national guard members.
- Children of Deceased or disabled law enforcement officers or firefighters.
- Adult Basic Education, English as a second language, and GED preparation.
- Eligible veterans or national guard members.
- High School Completion.
- Parent Education classes.
- Senior Citizens.
- State Employees.
- Apprentice students.
- Running Start students.
- Some students with program requirements exceeding 18 quarterly credits.

Please check with enrollment services to determine eligibility and current waiver policy.

**Fees Included in Tuition**

Each credit of tuition in the table includes mandatory fees:

- Comprehensive Fee: \$3.45 per credit
- Safety and Security Fee \$2.58 per credit
- Facilities Fee \$2.58 per credit

**Payment Information**

When you register for courses at LWIT, you are obligated to pay the associated tuition and related fees for those classes unless you drop your classes by the fifth day of the quarter. Students are encouraged to pay at the time of registration or to enroll in the Student Payment Plan program <http://www.lwtech.edu/PPLAN>.

- All tuition and fees are due on the first day of the quarter unless previously arranged by a college office, such as Financial Aid, Worker Retraining, or Student Accounts (includes Student Payment Plan).
- Students who enroll after the first day of the quarter must pay tuition and fees at the time of registration. Late Registration Fee of \$50 for students who register after the 10th day of the quarter.
- Students with unpaid balances that have not been received by the end of the fifth day of the quarter are subject to being dropped from classes.
- Unpaid balances may be subject to collections, including additional collection fees and legal costs.
- Students who have paid or who are enrolled in the Student Payment Plan will need to withdraw by the scheduled refund dates to receive the level of reimbursements outlined in the college's refund policy on the next page.

- Students whose tuition, fees, and/or books are being billed and paid through a third party such as Labor & Industries, WIA, DVR, an employer or a Guaranteed Education Tuition (GET) program must contact the Student Accounts Office, **West Building W201E**, at **(425)739-8184**, FAX (425)739-8182 or studentaccounts@lwtech.edu.

**Payment Options**

Please use your student ID number for all payments so that we can readily apply your payment to the correct account. Payments may be made:

1. Online in the **Current Student Toolbox** using your student ID and PIN numbers. Pay Quarter Balance in full with credit card or bank account or set up a payment plan.
2. At the Cashier’s Office, **West Building W201F**. Pay by cash, check, debit, Visa, MasterCard or American Express credit cards.
3. Call the Cashier’s Office at **(425)739-8403** to pay by Visa, MasterCard or American Express credit card.
4. Mail a check to: **LWIT, 11605 132nd AVE NE, Kirkland, WA 98034-8506**.
5. Cashier’s drop box outside Cashier’s Office afterhours. Envelopes available.

NOTE: Partial payments are not accepted without an established payment plan.

**Refund Policy**

Students who officially withdraw from classes within the refund period will be eligible for refunds according to the refund schedule. Students must complete an Add/Drop form and turn it in to Enrollment Services in person to officially withdraw from classes. Students will not be eligible for refunds due to non-attendance or if they are suspended or terminated for misconduct. Refunds will be made according to the original payment method. Payments made by check will be refunded by check and mailed to the address on the student account and bankcard payments will be refunded to the bankcard used for the original payment. Students with federal and state funded aid may have refunds made to the funding program consistent with the applicable federal or state rules.

\* *Refunds of automatic payments made on the Student Payment Plan will be paid by check from the college.*

**Refund Schedule**

See Academic Calendar on page 2 for current quarter refund schedule.

College cancellation of a course .....100%

**State-supported Credit Courses:**

First five business days of the quarter .....100%

After the fifth business day of the quarter and through the twentieth calendar day of the quarter .....50%

**Self-Supported Courses:**

Withdrawal requests must be received prior to the first day of class if the class meets only once and prior to the second day of class if the class meets two or more times. Withdrawals must be received 48 hours prior to the first class for dance classes. For classes with materials and supply fees, withdrawal requests must be received at least three days prior to the first class meeting in order to receive a 100% refund. After three days, your refund will follow the normal refund policy but will be for tuition only.

**Exceptions**

- Refunds for state-supported classes that start after the first week of the quarter or short courses that end early will be made using the same refund percentages as above. The refund schedule will be adjusted based on a ratio of the number of classes that have occurred at the time of withdrawal to the total number of class sessions.
- WashingtonOnline courses use Washington-Online quarter dates for refund percentages.
- If a student is withdrawing from all courses, the college will use the longest course to calculate the refund percentage for all courses.

NOTE: Refund percentages are based on prior full payment of tuition and fees. If you have not paid in full, you may owe a balance if you drop a class during a partial or non-refund period.

**2011-2012 State Support of Higher Education Students**

The State of Washington contributes to the cost of students through support of basic instructional cost and state-supported financial aid.

	RESIDENT UNDERGRADUATE	NON-RESIDENT UNDERGRADUATE
Instructional Cost per FTE Student	\$6,168	\$6,168
Operating Fee	\$2,849	\$7,684
Net State Support per FTE Student	\$3,319	—
	STATE FINANCIAL AID	INSTITUTIONAL FINANCIAL AID
Undergraduate Resident	\$793*	\$87**
Undergraduate Non-resident	\$ 0**	\$ 0**

\* Includes State Work Study, State Need Grant, and all other financial aid programs administered by the HECB, and SBCTC administered programs: Opportunity Grants and Worker Retraining Financial Aid.

\*\* Institutional financial aid is shown on an average student basis. Data are not available to allocate by student category. Institutional financial aid is not available to nonresidents.

Source of information: Higher Education Coordinating Board via SBCTC memorandum of 11/30/11.

**Directions to Lake Washington Institute of Technology**

**Kirkland Campus**

11605 132nd Ave. NE, Kirkland, WA 98034

[www.lwtech.edu](http://www.lwtech.edu)

Call (425)739-8100 for general information  
Monday–Friday, 7:30am–4:30pm

**Directions**

**From I-405 southbound:**

Take the NE 124th Street exit; turn left onto NE 124th. Drive east past three intersections and turn right onto Slater Road. Continue on Slater Road and turn left at the first signal, NE 120th Street. Lake Washington Institute of Technology will be on your right. (Use the East Entrance for Student Services.)

**From I-405 northbound:**

Take the Kirkland/Redmond exit #18; turn right toward Redmond. At 132nd Avenue NE, turn left. Continue north about two miles. Lake Washington Institute of Technology will be on your left.

**Redmond Campus**
