

Fundamentals of Welding – Supplies List

All items can be purchased locally. American Welding and Gas and General Distributing give a student discount. Rock Hand, Power Townsend, Murdoch's, Lowe's and Home Depot also have certain items. If you have any questions please contact Cindy Galbavy 324-2180 or email cgalbavy@helenaschools.org

Gloves – leather – they should look something like picture at left.

Safety Glasses – that are Z87 approved. If you wear glasses, please purchase a pair that will fit over them.

Welding Goggles – shade 5 – you can purchase if you want, but a pair will be provided.

Pliers – one pair of cheap pliers.

Boots – Please plan to wear leather boots. You can purchase used ones at any thrift store.

Coveralls or 100% cotton shirt and old pair of jeans. Jeans cannot have any frays on them. Coveralls are about \$45 or more at Murdoch's. A welding coat would also work and I believe they run around \$30 at American Welding & Gas and General Distributing.

25' Measuring Tape

Hat – old cotton hat or a welding cap.

Welpers or MIG Pliers
